Q and A

Hands-On Workshop: Learn and practice the device  
programming

This month's Grand Rounds supported by unrestricted educational grants from: Cyberonics  
Educational objective: Provide mental health professionals with updates on psychiatric topics.

The University of Arizona College of Medicine at the Arizona Health Sciences Center is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of Arizona College of Medicine at the Arizona Health Sciences Center designates this educational activity for a maximum of 1.0 category 1 credits towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the activity.
